ABOUT US

Sport-tec are a sports coaching company that could greatly benefit your primary school.

Sport-tec offers a variety of coaching services that are tailored to meet the specific needs of the young children in your school, and we are passionate about helping students develop their athletic abilities while promoting physical activity and teamwork.

Our experienced coaches use age appropriate games and activities to engage students in a range of sports, from Dodgeball and basketball to gymnastics and athletics.

In addition, Sport-tec also provides curriculum and skills based physical education programs that can supplement your school's existing physical education program. By working with Sport-tec, your school can provide a fun and engaging learning experience for your students while promoting a healthy and active lifestyle.

SPORT-TEC

WHAT WE CAN OFFER

Sport-tec can provide primary schools with high-quality physical education (PE) lessons as part of their continuing professional development (CPD) or as PPE (planning, preparation and assessment) cover.

Our experienced coaches use skills-based games to teach students a wide range of sports, while following the national curriculum guidelines for physical education. By working with Sport-tec, schools can ensure that their students receive a comprehensive and engaging PE program that is designed to promote physical health, teamwork, and confidence. Sport-tec's coaches are trained to teach students of all abilities and will provide personalized attention to help each student reach their full potential.

By providing quality PE lessons, Sport-tec can help schools to meet their educational goals while promoting the health and wellbeing of their students.

WHAT WE CAN OFFER

Sport-tec offers a variety of coaching services that can help primary schools provide before, during, and after-school activities for their students. In particular, Sport-tec can offer breakfast clubs, dinner time clubs, and after-school clubs that promote physical activity, teamwork, and healthy living.

Breakfast clubs can provide a healthy breakfast while offering fun and engaging physical activities to start the day. During lunchtime, dinner time clubs can provide students with a break from their studies, giving them the opportunity to participate in games and sports in a safe and supervised environment. After-school clubs can be a great way to keep children active and engaged after the school day has ended, providing an opportunity for them to learn new skills and make friends outside of the classroom.

By offering these services, Sport-tec can help primary schools to provide a well-rounded and engaging learning experience that promotes physical health and wellbeing.

OUR COACHES

Our coaches are particularly skilled at coaching in schools because they understand the unique challenges and opportunities that come with working in an educational setting. They are passionate about promoting physical activity and teamwork in a way that complements and enhances the broader educational experience of students.

DBS CHECKED

Sport-tec coaches are fully DBS checked, ensuring that all students are in safe hands. This is a standard procedure that the company takes very seriously, as the safety and welfare of students are their utmost priority.

FIRST AID TRAINED

Sport-tec coaches are also fully trained in first aid, meaning that they are equipped to respond to any potential medical emergencies that may arise during their coaching sessions. This is an important part of the company's commitment to ensuring the safety and wellbeing of their students.

YEARS OF EXPERIENCE

Sport-tec coaches have years of experience in teaching and coaching a wide range of sports to students of all ages and abilities. As a result, Sport-tec coaches are highly skilled professionals who are committed to delivering high-quality coaching services to schools and their students.

OUR SERVICES

At Sport-tec, we believe that learning should be fun, which is why our coaching sessions are designed to be engaging and enjoyable for students. We use skills-based games and activities to teach students a wide range of sports, helping them to develop their physical abilities in a fun and exciting way. By delivering our coaching sessions in this way, we can help students to stay motivated, focused and enthusiastic about physical activity.

HIGH QUALITY PLANNING

At Sport-tec, we understand that schools may have their own preferred planning scheme for physical education. That's why our coaches are flexible and can use the planning scheme that the school is currently using. Alternatively, we can also offer our own planning provider, which is designed to be fun and build skills while following the national curriculum for physical education. Our planning provider ensures that students receive a comprehensive and engaging PE program that promotes physical health, teamwork, and confidence. Our coaches are trained to deliver both options effectively and will work with schools to ensure that they are satisfied with the planning and delivery of the coaching sessions.

ASSESSMENT SERVICES

We offer assessment services as part of our coaching program. We can carry out assessments throughout the year on the classes we teach to help schools track pupil progression and identify areas for improvement. This information can be used to inform end-of-year reports and to help schools and parents understand the progress that students are making in their physical education.

SPORT-TEC

WHAT NEXT?

Thank you for taking the time to read through our information booklet about Sport-tec. We hope that you have found it informative and engaging. If you have any questions about our coaching services or how we can work with your school to promote physical activity and healthy living, please do not hesitate to get in touch. We would be happy to discuss any queries or concerns that you may have and to provide you with more information about our coaching programs. We look forward to the possibility of working together in the future to promote the physical wellbeing of your students.

If you would like to see first-hand how Sport-tec coaching sessions can benefit your school, we would be happy to offer you a free taster session. One of our experienced coaches can come into your school and deliver a session so that you can see how our coaches deliver our sessions and whether they would be a good fit for your school. If you would like to take advantage of this offer, please do not hesitate to get in touch with us.
